

## Walking Embroidery Design

by Sew4Home

For each patch, you will need a 6 x 9" (16 x 25 mm) piece of felt and heavy weight water soluble stabilizer. The felt will be trimmed to size during the embroidery process. Start each design with a full bobbin. For best results, do not color sort!

**Walking** 36552 stitches

Size: 100.4 x 103.8 mm (4 x 4 1/8")
